What's Swiss, with 12 faces, spans a generation or two and yodels? Introducing *Helmwah* the latest Swiss Miss project. You might remember our Alpine gals—of twelve Swiss singers whose styles and backgrounds redefine the word *gamut*. Or the idea of a "Swiss Miss" for that matter.

So just in case you thought you knew Heidi, think again—this Swiss Miss is part Nigerian and she's from Valais; she's a human beat box, she's got reggae and blue

Intrigued? Visit the Swiss Miss site [here](#)— and check back later in the summer for our review of the new album *Helmwah*—which started out (like most great ic Read our interview with Eliane of Swiss Miss [here](#). Visit Swiss Miss on their [myspace page](#).
